SPRING CLEAN UP

Spring clean-up is scheduled for May 6th & 7th. Please do your best to haul any items you can and help your neighbors. You **MUST** be on the pick-up list; items must be in the right of way, and you **MUST** separate green waste from other items to have them removed. We cannot take items with disposal restrictions. Don't forget to cover your loads on the way to the landfill.

Please keep yards free of weeds and debris, not only are they unsightly but they can also be a safety issue and a fire hazard.

SPRING PROJECTS

Don't forget that most projects require a permit. Please make sure you are building legally. Projects not built to code can be dangerous and costly. Contact the City office for information. Don't forget to call 811 before you dig!

LAWN MOWING SEASON

Please be mindful of your water meter when mowing. Water meters have sensitive equipment on the lid and any cost for repairs is billed to your account. You may also want to note that it is illegal to remove a water meter lid.
